

# Could It Be ED (Erectile Dysfunction)? Quiz\*

Name:

Date:

/

/

MM/DD/YR

Are you wondering if you have ED (erectile dysfunction)? If so, answer the questions in this short quiz. Share the results of this quiz when you talk with your doctor. Your answers will give your doctor a clear idea of what you are experiencing and how you feel about it.

This quiz is not meant to take the place of a complete evaluation, including a physical examination and medical history.

NOTE: The first question below is not included in your quiz results. However, it can help you think about how much erectile dysfunction is affecting you.

**If you were to spend the rest of your life experiencing erections the way you do now, how would you feel about that?**

Very dissatisfied	Rather dissatisfied	Mixed, about equally satisfied and dissatisfied	Rather satisfied	Very satisfied
1	2	3	4	5

## Quiz Instructions

For each of the questions below, choose the one response that best describes your own experience. Please be sure that you select only one response for each question. This poll is not scientific.

**OVER THE PAST 6 MONTHS:**

**1. How often are you able to get an erection during sexual activity?**

No sexual activity	Almost never or never	A few times (much less than half the time)	Sometimes (about half the time)	Most times (much more than half the time)	Almost always or always
0	1	2	3	4	5

**2. When you have erections with sexual stimulation, how often are your erections hard enough to penetrate (enter) your partner?**

No sexual activity	Almost never or never	A few times (much less than half the time)	Sometimes (about half the time)	Most times (much more than half the time)	Almost always or always
0	1	2	3	4	5

**3. When you try to have sexual intercourse, how often are you able to penetrate (enter) your partner?**

Did not attempt sexual intercourse	Almost never or never	A few times (much less than half the time)	Sometimes (about half the time)	Most times (much more than half the time)	Almost always or always
0	1	2	3	4	5

**4. During sexual intercourse, how often are you able to keep your erections *after* you penetrate (enter) your partner?**

Did not attempt sexual intercourse	Almost never or never	A few times (much less than half the time)	Sometimes (about half the time)	Most times (much more than half the time)	Almost always or always
0	1	2	3	4	5

**5. During sexual intercourse, how difficult is it to keep your erection until the end of intercourse?**

Did not attempt sexual intercourse	Extremely difficult	Very difficult	Difficult	Slightly difficult	Not difficult
0	1	2	3	4	5

**SCORE:** Add the numbers corresponding to questions 1-5, and enter the result here: \_\_\_\_\_

---

The results of this quiz may give you some idea of whether and to what extent you are experiencing ED. However, only your doctor or other healthcare professional can determine if you have ED and what treatment options are right for you.
